But what if a good looking stranger tries to dance with me or something?

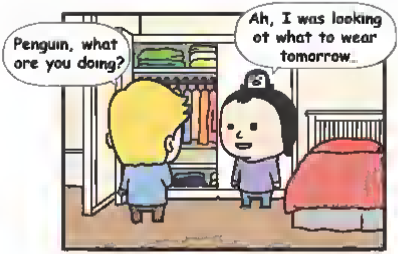
Hey~ There is be no man who is cuter than me.

I think you look really pretty when you wear trousers. Wear a pair af lang trousers

Come an~ Ha ha ha

Oh, Mev. Pe asked me if I would like te go clubbing with her this weekend.

Is it OK that I go?
Yeah. Of course! Why not?!



Penguin, what are you doing?
Ah, I was looking at what to wear tomorrow..

You know what? I feel nervous to go out without you
Is it really OK for you?

He was trying to get
me stopped by the bouncers.

And every time that I have been since marrying Mev I have gone with him.

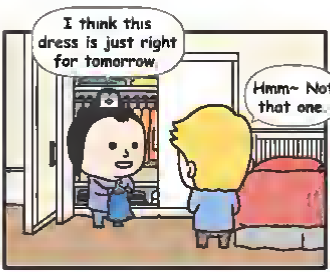
However,...

...thanks to Mev's consideration, I could go out with relief.

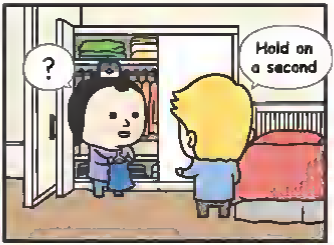
Clubbing

I love dancing but
I've only been clubbing a few times.

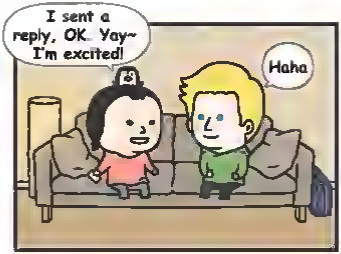
Alright. Haha.
Anyway, Mev, I think
I will wear this dress
What do you think?



I think this
dress is just right
for tomorrow.
Hmm~ Not
that one.



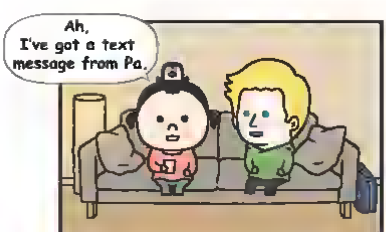
A little bit later



So I got a chance to join
a girls night out one day

It was the first time
that I went to club without Mev,
I was feeling a little bit strange.

So I've always thought that going out with lots of friends to a club would be very nice.



As 2 years have flown by since I've lived in England, I'm finally making more and more friends.
